Old Business:

Scholarships:

New Business:

A motion was made and passed to hold a short business meeting in June and July with no food or program presented.

Motion was made and passed to allow a business member of the chamber to do a presentation of their business to the chamber members. There will be a \$50 charge for this.

Discussions:

1. Attendance is down in the summer months and we are committed to pay for 25 guests for the meal and only 8-10 have been attending. This is causing a financial hardship on the chamber.
2. It may be necessary to hold a fund raiser for the chamber to replenish accounts.
3. A discussion about the monthly programs was held. It was felt that programs should be limited to topics that would benefit businesses.
4. Phone – A suggestion was made to purchase a cell phone that would be placed with Chamber Secretary and passed on after each election. The phone would be one with a minimal plan and the land line would be disconnected. Cell phones have voice mail on them and would be checked daily by secretary. No motion was made to change, this was a possible solution to the problems with the phone.

Next Meeting is June 25, 2007 – 6:30 pm – short business meeting only.

Motion was made and passed to adjourn.
